

**TITLE:** \_\_\_\_\_

The author(s) of the article as specified herein, hereby transfer copyright and assigns to Brazilian Journal of Otorhinolaryngology (Brazilian Journal of Otorhinolaryngology) all rights, title and interest that the author may have, or may at any time be found to have in and to the article and any revisions or versions thereof, including, but not limited to, the sole right to print, publish, and sell the article throughout the world in all languages and media.

This assignment shall be deemed in effect if and when the article is accepted for publication. Should the article contain any material protected by the copyright of others, the author will deliver to Brazilian Journal of Otorhinolaryngology written permission from the copyright owner to reproduce such material in the article. The(is) author(s) represents and warrants the are author(s) and proprietor of the article, that he has not granted or assigned any rights in the article to any other person or entity, that the article is copyrightable, that it does not infringe upon any copyright, trademark, or patent, that it does not invade the right of privacy or publicity of any person or entity, that it does not contain any libelous matter, that all statements asserted as facts are true or based upon reasonable research to accuracy and that, to the best of the author's knowledge, no formula, procedure, or prescription contained in the article would cause injury if used or followed in accordance with instructions and/or warnings contained in the article.

All articles will be published under the CC BY (Creative Commons Attribution 4.0 International). Open Access funded by Associação Brasileira de Otorrinolaringologia e Cirurgia Cérvico-Facial.

The author(s) will indemnify Brazilian Journal of Otorhinolaryngology against any costs, expenses or damages that Brazilian Journal of Otorhinolaryngology may incur or for which Brazilian Journal of Otorhinolaryngology may become liable as a result of any breach of these warranties. These representations and warranties may be extended to third parties by Brazilian Journal of Otorhinolaryngology.
